

# Employee Contributions to the Community

## **St. Vincent de Paul Dining Room**

Once a month Department employees work two hours at the St. Vincent de Paul dining room. Our employees assist in preparing the meals, serving meals, making brown bag lunches, and even making up Easter baskets for the kids.

## **Turkey Challenge**

Each year the Department participates in St. Vincent de Paul's "Turkey Tuesday". In the past two years the Department has donated more than 600 frozen turkeys and 1800 non-perishable food items on "Turkey Tuesday".

## **Blood Drives**

The Department in conjunction with United Blood Services HOSTS quarterly blood drives. The Department as a whole averages 130-140 pints of blood donated each quarter.

## **Christmas Angel Program**

Each year the Department offers a Christmas Angel Program to help the families of our employees. In the past three years our employees have provided more than 50 families with a real Christmas. Without this program, those families would not have had a Christmas.
